Coming Events

Brit and Euro Car Show

Sunday March 4th

Lloyd Elsmore Park

Howick

This is the 3rd year this show has been on and will be the first year the Jowetts have attended as a Club. Individual members have previously attended and speak highly of the event.

Over 800 cars from 69 marques and an expected 8,000 people should make for a good day for this free event.

As well as the cars, the location is beside the Howick Historical Village which is worth a look.

Café and food and coffee vans on site

This is an informal event and we are hoping for a good number of Jowetts.

Information below as well as the site map as an attachment.

The attachment has the event site map and drivers briefing.

Gate entry point: **GATE B (access from parking area, Bells Rd)**

Arrival Time: **Arrive for 9.00 am please**

Number of cars booked: **Jowett 10+**

There will be a guide available at the Gate to help you to your site. The first member to arrive will be led to the site so that they can plan parking as other cars arrive.

All cars must be **onsite** and **stationary** by **9.30am please**. Coffee trucks and the neighbouring Homestead Café will be open for business, or you can wander around the site checking out the other vehicles as they arrive. **Cars must remain in place until 3pm**

There has been an exceptional response this year, with 810 cars registered to attend, across 69 marques. This exceeded the target of 750 cars and represents an increase of 27% from 2017 (640 cars) and 85% from 2016 (440 cars).

There has been advertising across wider Auckland this year and are hoping for 8-10,000 people to attend the show. The show remains extremely grateful to the Howick Local Board for their support of our event, and of course to our sponsor Mercedes Botany. In addition, we have a number of food vendors on site providing a variety of options, three local organisations seeking your gold coins for their fundraising activities, and a small number of businesses looking to offer their services to all car owners.

Here is hoping for a great day! We do look forward to seeing you all on Sunday 4th March at Lloyd Elsmore Park.

Previous Events

Full reports on these previous events will be in the Club magazine "Flat Four" that will be out this week

Intermarque Concours d'Elegance,

This event experienced miserable weather for the first time in a number of years. Despite this a gallant band of members put on the display and as usual Jowetts attract attention. John Wolf our Branch Chairman thanked those that manned the stand and braved the elements

Talk and Demonstration on Car Cleaning and Polishing.

A few Jowett members were among the many clubs to get the good oil of car cleaning and polishing. Interesting to see them foam up a car as the first pass in the washing process.
